

Launch of Online Drugs Licensing System
in Telangana State on 30.6.2017

<http://odls.telangana.gov.in>

Online Drugs Licensing System (ODLS) which was developed by National Informatics Centre, Telangana State has been inaugurated by the Hon'ble Minister for Health, Medical & Family Welfare on 30.6.2017.

"Online Drugs Licensing System" has been initiated by Government of Telangana as per the Guidelines of Department of Industrial Policy and Promotion ("DIPP"), Government of India under "Business Reform Action Plan 2017" for issue / renewal of license for retail sale, wholesale and Manufacturing of drugs by Drugs Control Administration, Telangana State.

ODLS is a Work-Flow based Online Drugs Licensing System which allows submission of application online, License Fee payment thru online / Challan, verification by DCA Officials, Issue of License using Digital Signature, Tracking of application status and Monitoring etc. for issue of Manufacturing and Sales Licenses.

Inauguration by Shri. C. Laxma Reddy, Hon'ble Minister for Health, Medical & Family Welfare, Government of Telangana. Special Chief Secretary Shri. Rajeshwar Tiwari, Joint Director of DCA Shri. M. Amrutha Rao, DDG & SIO, Telangana State Shri. A.Ram Mohan Rao, HOD & Technical Director, NIC Shri. N. Suresh Kumar also seen.

How it Works

The Entrepreneurs have to register their details as one time measure and apply for various services (Licenses) online. The relevant documents have to be uploaded and License Fee has to be paid thru online or thru Challan.

The system generates registration number and acknowledgement and same is sent thru SMS to the applicant.

The applications received for various services thru this system will be verified by the Field Level Officers for the conditions of the License and inspect the premises physically.

Ineligible applications will be recommended for rejection by Drug Inspectors.

All the eligible applications will be forwarded to the higher level officers for approval.

All the eligible applications will be approved by the competent authority using Digital Signature.

The applicant can download the Digitally Signed License from Online Portal using their user credentials

The applicant can also track the status of the application online.

Salient Features

- ▶ Work-Flow based Application
- ▶ Simplified Documentation.
- ▶ Reduced Time Lines (14 Days).
- ▶ Online Registration and Application Submission.
- ▶ Online Payment thru Payment Gateway (Cyber Treasury).
